Letter to Shareholders

October 23, 2020

Fellow Shareholders,

You are invited to attend Empire Industries Ltd.'s ("Empire") Annual General and Special Meeting of holders ("Shareholders") of common shares ("Common Shares"), which will be held as a virtual meeting on Wednesday, November 25 at 2:00PM (Eastern Time). We look forward to seeing you as we present our views on our 2019 achievements, the first three quarters of 2020, and some of our future plans. We hope you can join us.

One of our key agenda items at this year's meeting is our proposed name change to Dynamic Technologies Group Inc. This name change reflects the transformation of the Corporation from its steel fabrication industrial roots as Empire Iron Works Ltd. into a company leveraging its technology in the themed attraction and "out of home" entertainment market niches. The new name brings a solid connection and bond between the Corporation's three operating subsidiaries: Dynamic Entertainment Group Ltd., Dynamic Attractions Ltd. and Dynamic Structures Ltd.

We have decided on a virtual format for the meeting due to the uncertain public health impact of the coronavirus and in order to protect the health and safety of our shareholders, employees and other stakeholders. The meeting will be conducted by way of a live audio via telephone accompanied by a webcast of integrated slides. We hope that hosting a virtual meeting will increase participation by our shareholders, as it will enable shareholders to attend the meeting regardless of their geographic location.

Beneficial Shareholders and other guests can listen to the Meeting (and participate in a post-Meeting Q&A session) by following the Virtual Meeting Instructions below. These instructions also include an option for Registered Shareholders and duly appointed Proxyholders to engage in real time balloting via telephone. However, we are encouraging all shareholders to vote in advance rather than using the real time balloting.

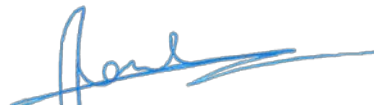

This Information Circular contains important information about the Annual General and Special Meeting of Shareholders, including the business to be conducted, voting, director nominations, corporate governance practices, and compensation of our named executive officers and directors. If you are a holder of our common shares, please use the enclosed proxy or voting instruction form to submit your vote prior to the meeting.

Thank you for your investment in Empire, and for your participation in these important decisions.

Sincerely,

Guy Nelson
Executive Chair and CEO

James Chui
Non-executive Chairman

While this option is available to Beneficial Shareholders, the Corporation strongly encourages all Beneficial Shareholders to vote by proxy at least 48 hours in advance of the Meeting, rather than voting by telephone during the meeting.

Appointing a Proxy

Shareholders who wish to appoint a person other than Guy Nelson and Michael Martin, the management designees identified in the Instrument of Proxy or voting instruction form (including a Beneficial Shareholder who wishes to appoint itself as proxyholder), to represent them at the Meeting MUST submit their Instrument of Proxy or voting instruction form (as applicable), appointing such proxyholder AND register that proxyholder online, as described below. Registering your proxyholder is an additional step to be completed AFTER you have submitted your Instrument of Proxy or voting instruction form. Failure to register the proxyholder with AST Trust Company (Canada) will result in the proxyholder not receiving a control number to participate in the Meeting and only being able to attend as a guest. Guests will be able to listen to the Meeting and ask questions in the post-Meeting question and answer session, but will not be able to vote.

Step 1: Submit your Instrument of Proxy or voting instruction form: To appoint a proxyholder, insert such person's name in the blank space provided in the Instrument of Proxy or voting instruction form and follow the instructions for submitting such Instrument of Proxy or voting instruction form. This must be completed prior to registering such proxyholder.

Step 2: Register your proxyholder with AST: To register a proxyholder, Shareholders must contact AST Trust Company (Canada) at 1-866-751-6315 (in North America) by 2:00 p.m. EST on Monday, November 23, 2020, or, if the Meeting is adjourned or postponed, not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) before the time and date of the adjourned or postponed Meeting, and provide AST Trust Company (Canada) with the required proxyholder contact information so that AST Trust Company (Canada) may provide the proxyholder with a control number via email. Without a control number, proxyholders will not be able to vote during the Meeting but will be able to participate as a guest (including asking questions in the post-Meeting question and answer session.)

Step 3: Register your Proxyholder with Chorus Call (telephone voting service provider):

Registered Shareholders and duly appointed proxyholders who wish to vote during the Meeting instead of voting in advance will be required to register at least 48 hours prior to the scheduled meeting start. For Registered Shareholders, the link to register is provided on the proxy form included with this Information Circular mailing. Beneficial Shareholders should contact the Corporation's Corporate Secretary at afrancis@empind.com or at 1-204-589-9301 to obtain the link. Those who pre-register and provide valid control numbers that are subsequently verified by the scrutineer will be entitled to vote by telephone during the meeting (and ask questions in the post-Meeting question and answer session with Management.) In order to vote, registrants will need to dial in on the phone number and PIN provided in their registration confirmation e-mail and calendar booking. Voting will not be supported via the Internet.

Proxy Solicitation

Purpose of Solicitation

The information contained in this Information Circular is provided to the holders (the "Shareholders" and each a "Shareholder") of common shares ("Common Shares") of Empire Industries Ltd. (the "Corporation") in connection with the solicitation by management and the directors of the Corporation of proxies to be used at the Annual General and Special Meeting (the "Meeting") of the Shareholders to be held as a virtual meeting, on Wednesday, November 25, 2020 at 2:00 P.M. (Eastern time), and at all adjournments thereof, for the purposes set forth in the Notice of Annual General and Special Meeting (the "Notice") which accompanies this Information Circular.

The cost of such solicitation will be borne by the Corporation and will be made primarily by mail. Directors and officers of the Corporation may without special compensation solicit proxies by telephone, facsimile or in person.

Appointment and Revocation of Proxies

Shareholders have the right to appoint a nominee (who need not be a shareholder) to represent them at the Meeting other than the persons designated in the enclosed form of proxy, and may do so by inserting the name of the appointed representative in the blank space provided in the form of proxy.

A form of proxy will not be valid for the Meeting or any adjournment unless it is completed by the Shareholder or by his attorney authorized in writing and must be delivered to: Proxy Department, AST Trust Company (Canada), P.O. Box 721, Agincourt, ON, M1S 0A1, or by email to proxyvote@astfinancial.com or by fax at (416) 368-2502 (Toll Free: 1-866-781-3111 Canada & US only), or on the internet at www.astvotemyproxy.com, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays) before the time set for the Meeting or any adjournment thereof. A proxy is valid only at the Meeting in respect of which it is given or any adjournment(s) of that Meeting.

In addition to revocation in any other manner permitted by law, a Shareholder who has given a proxy may revoke it prior to the commencement of the Meeting by either executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Shareholder or by his authorized attorney in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by depositing the proxy bearing a later date with AST Trust Company at any time not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays) before the time set for the Meeting or any adjournment at which the proxy is to be used, or by depositing the revocation of proxy with the chairman of the Meeting on the day of the Meeting, or any adjournment of the Meeting.

Voting of Proxies

The persons named in the enclosed form of proxy are directors and/or officers of the Corporation and have indicated their willingness to represent as proxy the Shareholder who appoints them. Each shareholder may instruct his proxy how to vote his Common Shares by completing the proxy form accompanying this Information Circular.

The person indicated in the accompanying proxy shall vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholder appointing them.

In the absence of a direction to vote or withhold the Common Shares in respect of which they are appointed, the management appointees named in the accompanying proxy will vote such Common Shares in favour of:

- 1. fixing the number of directors of the Corporation to be elected at five (5).**
- 2. electing the directors of the Corporation identified in this Information Circular;**
- 3. appointing Grant Thornton LLP as auditors of the Corporation for the 2020 year and authorizing the directors to fix the auditor's remuneration;**
- 4. approving the Corporation's Stock Option Plan; and**
- 5. approving a special resolution to change the name of the Corporation from "Empire Industries Ltd." to "Dynamic Technologies Group Inc."**

all as more specifically described in this Information Circular.

The enclosed form of proxy confers discretionary authority upon the person indicated in the proxy with respect to amendments or variations to matters identified in the Notice and with respect to other matters, which may properly come before the Meeting.

As at the date of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice and the Information Circular. If any matters which are not now known to the directors and senior officers of the Corporation should properly come before the Meeting, the persons named in the accompanying form of proxy will vote on such matters in accordance with their best judgment.

Advice to Beneficial Shareholders

The information in this section is of significant importance to Shareholders since many Shareholders do not hold Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to herein as "Beneficial Shareholders") are advised that only proxies from Shareholders of record can be recognized and voted upon at the Meeting. If Common Shares are listed in the account statement provided to the Shareholder by a broker, then in almost all cases those shares will not be registered in the Shareholder's name. Such shares are more likely held under the name of the broker or a broker's agent clearing house. Applicable corporate law provides that Beneficial Shareholders may request that the Beneficial Shareholder or the Beneficial Shareholder's nominee be appointed as the proxyholder for such shares. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing & Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers or their nominees can only be voted (for or against motions) upon the instructions of the Beneficial Shareholder. Without specific instructions, the brokers/nominees are prohibited from voting the Common Shares for their clients.

The Corporation does not know for whom the Common Shares registered to CDS & Co. are held. Therefore, Beneficial Shareholders cannot be recognized by the Corporation at the Meeting. In order to ensure that their Common Shares are voted at the Meeting, Beneficial Shareholders should carefully follow the return instructions provided by their broker. Often, the form of proxy supplied to Beneficial Shareholders by their brokers is identical to that provided to registered Shareholders, however, its purpose is limited to instructing the brokers/registered Shareholder how to vote on behalf of the Beneficial Shareholder. The majority of the brokers now delegate the job of obtaining instructions from clients and voting Common Shares according to their client's instructions to a corporation named Broadridge Financial Solutions Inc. ("Broadridge"). Broadridge typically applies a special sticker to the proxy forms produced by the Corporation, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return these proxy forms to Broadridge. Broadridge then tabulates the results of all

instructions received and then votes the Common Shares to be voted at the Meeting according to the instructions received. **A Beneficial Shareholder receiving a proxy with a Broadridge sticker on it cannot use that proxy to vote Common Shares at the Meeting. The proxy must be returned to Broadridge well in advance of the Meeting as directed by Broadridge in order to have the Common Shares voted.**

Beneficial Shareholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Corporation are referred to as non-objecting beneficial owners or “NOBOs”. Those Beneficial Shareholders who have objected to their intermediary disclosing ownership information about themselves to the Corporation are referred to as objecting beneficial owners of “OBOs”.

Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), the Corporation has distributed copies of proxy-related materials in connection with this Meeting (including this Information Circular) indirectly to all Beneficial Shareholders.

The Corporation is not relying on the notice and access delivery procedures outlined in NI 54-101 to distribute copies of the proxy related materials in connection with the Meeting.

The Corporation will bear the costs for intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the proxy-related materials and related documents.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker (or an agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder, should enter their own names in the blank space on the Instrument of Proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

All references to Shareholders in this Information Circular, the accompanying form of proxy and Notice are to shareholders of record unless specifically stated otherwise.

Voting Shares and Principal Shareholders

Only the holders of Common Shares of the Corporation are entitled to vote at the Meeting. As of the date of this Information Circular, 163,516,826 Common Shares without nominal or par value are issued and outstanding. Each Common Share entitles the holder to one vote on all matters to come before the Meeting. No group of Shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares of the Corporation.

The directors of the Corporation have fixed October 26, 2020 as the record date (the “Record Date”) for determination of the persons entitled to receive notice of the Meeting. A Shareholder of record as of the Record Date is entitled to vote his Common Shares except to the extent that the Shareholder has transferred the ownership of any of its Common Shares after the Record Date, and the transferee of those Common Shares produces properly endorsed share certificates or otherwise establishes that it owns the Common Shares, and demands, not later than 10 days before the Meeting, that its name be included in the Shareholder list before the Meeting, in which case the transferee is entitled to vote his Common Shares at the Meeting.

To the knowledge of management of the Corporation, as of the date of this Information Circular, no person or company beneficially owned, directly or indirectly, or exercised control or direction over more than ten percent (10%) of the voting rights attached to all outstanding Common Shares of the Corporation other than those listed in the following table:

Name and Municipality	Number of Voting Shares Owned or Controlled Directly or Indirectly	Percentage of Outstanding Voting Shares
Koisumi Tadashi ¹	31,116,267	19.1%
Excellence Raise Overseas Limited ²	30,140,001	18.4%

¹ 20,731,707 Common Shares are owned directly by High Express Holdings Limited, a private company organized under the laws of Hong Kong over which Mr. Tadashi exercised control and direction and 10,384,560 Common Shares are owned directly by Jolly Admire Limited, a private corporation incorporated under the laws of the British Virgin Islands over which Mr. Tadashi exercises control or direction.

² Excellence Raise Overseas Limited is a private company organized under the laws of the British Virgin Islands and is controlled by Mr. James Chui

Information Concerning the Corporation

Statement of Executive Compensation

For the purposes of this section, "NEO" or "Named Executive Officers" means the Chief Executive Officer ("CEO") and the Chief Financial Officer ("CFO") and the three other most highly compensated executive officers of the Corporation and its subsidiaries, whose compensation, in the aggregate, exceeded \$150,000 for the most recently completed financial year.

Compensation Discussion and Analysis

The objectives of the Corporation's compensation program are to attract, retain and motivate key employees, and to align their interests with the interests of Shareholders. The compensation program is designed to reward profit performance (through the Incentive Bonus Program) and increases in Shareholder value (through the Stock Option based compensation). The Base Salary component is largely market driven.

The significant elements of compensation awarded to, earned by, paid to or payable to NEO's for the most recently completed financial year are: Base Salary, Incentive Bonus Program payments, and Stock Option based compensation. The Corporate Governance Committee is comprised of some members of the Board of Directors and serves as the Corporation's Compensation Committee. The Corporate Governance Committee is comprised of Ian Macdonald, Robert Marshall and Terence Quinn, each of whom is independent. Each member is and has been a director of a number of private and public operating companies and has experience in evaluating executive compensation. The Compensation Committee is responsible for evaluating the Corporation's executive compensation and reporting to the Board of Directors of the Corporation.

The Corporation has no formal policy regarding the allocation between Base Salary, Incentive Bonus Program payments, Stock Option based compensation or other forms of compensation, but the Corporate

Governance Committee will consider and evaluate the total compensation package, including Base Salary, Incentive Bonus Program payments and Stock Option based compensation received or to be received by a particular executive officer, and seek to ensure that such total compensation package is fair, reasonable and competitive. In arriving at its compensation decisions, the Corporate Governance Committee considers a number of factors, including the responsibilities and experience of the individuals, the performance of the individuals with the Corporation, the overall performance of the Corporation and the long-term interest of the Corporation. The Corporate Governance Committee discusses their collective knowledge and understanding of salaries paid to executive officers at companies that the members have personal knowledge of however, no formal benchmark group of companies has been referenced. The Corporate Governance Committee has not considered the implications of the risks associated with the Corporation's compensation policies and practices.

Directors and NEO's are not formally prohibited from purchasing financial instruments designed to offset a decrease in the value of the equity securities granted as compensation, however the Board has discussed the issue and strongly discourages the practice. To the knowledge of the Board, no director or NEO has purchased such financial instruments.

The Corporate Governance Committee recommends the CEO's compensation package to the independent directors for their approval. The independent directors have sole authority to determine the CEO's compensation. The Corporate Governance Committee makes these recommendations based on the Corporation's performance and relative Shareholder returns, and the awards given to the Corporation's past CEOs where relevant.

The Corporate Governance Committee also reviews the recommendations of the CEO concerning overall compensation and other conditions of employment of executive management, including the other NEO's, and, in the Committee's discretion, makes recommendations to the Board for their consideration. This includes review and recommendation with respect to any incentive compensation plans and equity-based plans such as Stock Option grants. When recommending the Stock Option grants, consideration is given to the exercise price and the aggregate number of Common Shares which would be subject to Stock Options held by the individual after the grant under consideration, the evaluation of the former, current and potential contribution of the individual to the success of the Corporation and the relative position of the individual.

The 2019 CEO incentive plan provided for bonus payments from 0% to 80% of Base Salary, based on a number of performance indicators, including Empire's financial and operating performance as well as the achievement of specific non-operational goals. \$nil was awarded by independent Board members for the CEO's 2019 performance, as shown in the Summary Compensation Table under Annual Incentive Plans.

The 2019 Executive incentive plan provides for bonus payments from 0% to 100% of Base Salary for other NEO's. The NEO plan is based on a number of performance indicators, including Empire's overall financial performance, specific financial performance in the NEO's area of responsibility, safety record, working capital management, and organic growth. The total awards for NEO's under this plan was \$348,234, as shown in the Summary Compensation Table under Annual Incentive Plans.

The Corporation does not disclose the specific performance targets of the incentive plan, because disclosing them would seriously prejudice the Corporation's interests.

The Corporation does not have a share-based awards plan.

¹ The Corporation does not have a share-based awards plan. On August 18, 2017, the Corporation granted 300,000 shares to Hao Wang and Paul Poirier as a taxable inducement to sign employment contracts with the Corporation. The TSXV closing price on the day was \$0.64.

² Option-based awards amounts do not represent cash received. They represent the theoretical value ascribed to options granted to the officers on the date of the grant. This value is determined using the Black-Scholes model, with various assumptions made at the time of grant relating to unit volatility and risk-free interest rates. All grants were made with exercise prices equal to or above the market price at the time of grant.

³ The amounts set forth in this column are the cash bonuses earned by the Named Executive Officers.

⁴ The Corporation does not have a pension plan.

⁵ All other compensation is composed primarily of vehicle allowances or leases, RRSP matching plans, vacation payouts and/or insurance premium benefits. In the case of Michael Martin, the 2017 figure also includes a mortgage interest benefit of \$11,200.

Termination and Change of Control Benefits

Except as disclosed herein, Empire does not have any compensatory plan or arrangement in respect of compensation received or that may be received by the Named Executive Officers in Empire's most recently completed or current financial year to compensate such executive officer in the event of the termination of employment or in the event of a change in control.

Guy Nelson has an employment contract which, if terminated without cause by Empire, provides for a termination payment equal to two (2) years of current salary, plus two times the average annual bonus in the preceding two (2) years. If there is a "change of control", as defined by the TSXV policies, Mr. Nelson has a ninety (90) day option to treat the change of control as a termination without cause by Empire. If these provisions had been triggered on the last business day of the most recently completed financial year, it would have resulted in a payment of approximately \$740,000.

Mike Martin has an employment contract which, if terminated without cause by Empire, provides for a termination payment equal to one (1) year of current salary, plus the average annual bonus in the preceding two (2) years. If there is a "change of control", as defined by TSXV policies, Mr. Martin has a ninety (90) day option to treat the change of control as a termination without cause by Empire. If these provisions had been triggered on the last business day of the most recently completed financial year, it would have resulted in a payment of approximately \$220,000.

Hao Wang has an employment contract which, if terminated without cause by Empire, provides for a termination payment equal to eighteen (18) months of current salary, plus the average annual bonus in the preceding two (2) years. If these provisions had been triggered on the last business day of the most recently completed financial year, it would have resulted in a payment of approximately \$766,000.

The Board believes that the Name Change is in the best interest of the Corporation and recommends that the Shareholders vote in favour of the resolution. The management designees, if named as proxy, intend to vote the Common Shares represented by any such proxy FOR the approval of the special resolution to approve the Name Change, unless a shareholder of the Corporation has specified in the shareholder's proxy that the shareholder's shares are to be voted AGAINST such resolution.

Within its stewardship responsibility the Board is to preserve and enhance the viability of the Corporation and to ensure that it is managed in the interests of the shareholders as a whole in conformity with the law and legitimate interests of other stakeholders.

The Board delegates the responsibility for the day-to-day conduct of business to the management of the Corporation, through its Chief Executive Officer (“CEO”), within a policy framework established by the Board. In executing their responsibilities, each of the members of the Board is entitled to rely on the advice, reports and opinions of management.

Core Responsibilities

The core responsibilities of the Board include stewardship and oversight in the following areas:

Strategic Planning

The Board ensures that the Corporation adopts a strategic planning process to guide its activities. The Board meets periodically to review the plan. In addition, at each regular meeting, the Board reviews the Corporation’s overall business strategies, its business plan, as well as major strategic initiatives, to allow the Board to evaluate whether the Corporation’s proposed actions are generally in accordance with its objectives.

Identification of Principal Risks

The Board, directly and through the Audit, Corporate Governance, and Environment/Safety/Community Committees, reviews the principal risks of the Corporation’s business and the appropriateness of the systems put in place to manage these risks.

Selection and Remuneration of the CEO and the Senior Management Team

The Board is responsible for selecting the CEO and for approving the selection of the members of the senior management team. Communication with the management team is through the CEO and the Board is responsible for judging the effectiveness of this officer and replacing him if such action is deemed to be in the best interests of the Corporation. The Board is also responsible for providing an effective system of remuneration. These functions are performed with the benefit of advice from the Corporate Governance Committee.

Succession Planning

On a regular basis, the Board reviews a succession plan, developed by management, addressing the policies and principles for selecting a successor to the CEO and other key senior management positions, both in an emergency situation and in the ordinary course of business. The succession plan should include an assessment of the experience, performance, skills and planned career paths for possible successors to the CEO currently in the Corporation’s senior management.

Financial Reporting and Internal Controls

The Board, acting through the Audit Committee, oversees the financial reporting and regulatory filing and disclosures of the Corporation. This includes monitoring the implementation of appropriate internal control systems to ensure the accuracy and timeliness of the information.

The Disclosure Policy established by the Board summarizes practices regarding disclosure of material information to investors, analysts and the media. The Board, in consultation with the Corporate Governance Committee, monitors and advises on compliance with this Policy.

Evaluating Board Performance

The Board, acting through the Corporate Governance Committee, conducts an evaluation, at least annually, to assess the effectiveness of the Board, its Committees, the Chairman, and individual Directors. Board Composition

Board Composition

The composition of the Board should balance the following goals:

- a) The size of the Board should facilitate substantive discussions of the whole Board in which each Director can participate meaningfully;
- b) The composition of the Board should encompass a broad range of skills, expertise, industry knowledge, diversity of opinion and contacts relevant to the Corporation's business; and
- c) Membership on the Board shall include an appropriate number of Directors whom the Board has determined have no material relationship with the Corporation or its principal shareholders and who are otherwise considered independent as contemplated by the corporate governance guidelines published by the Canadian Securities Administrators (the "CSA Guidelines") and under the rules of the Toronto Stock Exchange ("TSX")

Selection of Directors

The Corporate Governance Committee is responsible for recommending to the Board, from time to time, a list of potential Directors meeting the Corporation's general criteria for Board membership, as well as suitable nominees to fill specific vacancies occurring between annual general meetings of shareholders. The processes used by the Committee as well as the bases for its recommendations are outlined in the Corporate Governance Committee Charter. The Board is responsible for selecting nominees for election to membership on the Board for presentation at annual general meetings of shareholders.

Orientation and Continuing Education

The Corporate Governance Committee is responsible for the continuing education of Directors as outlined in the Committee's Charter.

Selection of Agenda Items for Board Meetings

The Chairman, in consultation with the CEO and the Corporate Secretary, establishes the agendas for Board meetings. Any Board member, however, may recommend the inclusion of specific agenda items. The agenda is distributed in advance of a meeting to each Director.

Board Materials Distributed in Advance

Information, data and presentation materials that are important to the Board's understanding of the business are distributed in writing to the Board before each meeting. Management should provide materials that are as concise as possible while giving Directors sufficient information, and time for review (subject to availability of time sensitive materials), to make informed decisions. Under certain circumstances, written materials may be unavailable to Directors in advance of a meeting, and certain items to be discussed at Board meetings may be of a sensitive nature such that the distribution of materials on these matters prior to the Board meeting would not be appropriate.

Management at Meetings

The Board invites members of management, in addition to the CEO and the Chief Financial Officer ("CFO"), to attend Board meetings from time to time to make presentations and provide additional insight into the various operations of the Corporation.

Independent Director Meetings

To encourage free and open discussion and communication among the non-management Directors of the Board, the Directors meet during, or at the end of each Board meeting, without members of management present.

Participation in Meetings

Each Director should be sufficiently familiar with the business of the Corporation, including its financial statements and capital structure, and the risks and competition it faces, to facilitate active and effective participation in the deliberations of the Board and of each committee on which the Board member serves.

Financial Knowledge

One of the most important roles of the Board is to monitor financial performance. A Director must know how to read financial statements and should understand the use of financial ratios and other indices for evaluating financial performance.

Code of Conduct

The Corporation has adopted a Code of Conduct. Certain portions of this Code deal with the business conduct of Directors, particularly with respect to transactions in the securities of the Corporation, potential conflicts of interest, the taking of corporate opportunities for personal benefit, and competing with the Corporation. Directors should be familiar with the Code's provisions in these areas and should consult with the Corporation's counsel in the event of any issues or concerns.

Other Directorships

The Corporation values the experience Directors bring from other boards on which they serve, but recognizes that those boards may also present demands on a Director's time and availability, and may also present conflicts or legal issues. Directors should advise the Chair of the Corporate Governance Committee before accepting any new membership on other boards of directors or any other significant commitment involving an affiliation with other related businesses or governmental units.

Contact with Management

All Directors are invited to contact the CEO at any time to discuss any aspect of the Corporation's business. While respecting organizational relationships and lines of communication, Directors have complete access to other members of management. There will be frequent opportunities for Directors to meet with the CEO, CFO and other members of management in Board and committee meetings and in other formal or informal settings.

Confidentiality

The proceedings and deliberations of the Board and its committees are confidential. Each Director shall maintain the confidentiality of information received in connection with his or her services.

This Notice is made pursuant to National Instrument 51-102 ("NI 51-102").

Empire Industries Ltd. (the "Company") determined on January 16, 2019 that the former auditor of the Company, MNP LLP (the "Former Auditor"), will not be proposed for re-appointment at the next Annual General Meeting of Shareholders of the Company to be held in the upcoming year (the "Meeting"). The Company intends to propose Grant Thornton LLP (the "Successor Auditor") for appointment as the auditor of the Company at the Meeting.

The termination of the Former Auditor and the proposed appointment of Grant Thornton LLP as the Successor Auditor was considered and approved by the Audit Committee and the Board of Directors of the Company.

There were no reservations in the Former Auditor's Reports on the Company's consolidated financial statements for the two most recently completed fiscal years nor for any period subsequent thereto for which an audit report was issued and preceding the date hereof.

In the opinion of the Company, there were no "Reportable Events", as defined in National Instrument 51-102 (Part 4.11)

The Board of Directors of the Company has reviewed and approved the "reporting package" as that term is defined in NI 51-102.
