

DYNAMIC MOTION THEATER

Reinventing
the unexpected!
The DYNAMIC MOTION THEATER
provides limitless options with the
ride, show sets, projections, special effects
and even live performers. All that combined with a
moving theater platform that can raise, lower, tilt and spin
to reveal the new scene allowing guests to be in the center of
the action, living the adventure. Shows and can be adapted
or changed easily so adventure seekers come
back again and again!

DYNAMIC
ATTRATIONS
