

# DYNAMIC ALL-TERRAIN

## *FREEDOM.*

A word not commonly used to describe common theme park attractions that are bound by tracks and rails, but that is sought by guests around the world. Freedom has been a fantasy, until now. The **DYNAMIC ALL-TERRAIN** is a whole new attraction that gives guests the freedom to go over any terrain, follow any path and takes you anywhere the story demands. Our vehicles are easy to theme and customize, with indoors and outdoors capability. This attraction is truly a game changer.
